

NORTH CASTLE HILLS

Directory - 2025

The North Castle Hills Directory is published by the North Castle Hills Homeowners Association for the use by residents living in the neighborhood. North Castle Hills was established in the late 1970s and its residents have continually enhanced properties over the years to make it one of San Antonio's best kept secrets.

The NCH Directory is sorted two ways...first by street address and then by a resident's last name. Because this is an electronic document, if you have changes in any contact information, please contact the HOA through the North Castle Hills website and your new information will be promptly added.

Thank you for taking pride in your property, our neighborhood and looking out for the well-being of every one of our neighbors.
